

# Earn free supply cover

**A**s recruiters, we all understand the frustration felt by candidates when several good quality teachers apply for the same job but only one can be appointed.

Disappointed candidates need not despair as you can now forward their details to us at Step Teachers whilst your school benefits at the same time. By providing us with the teacher's name and contact details\* your school can secure half a day's supply cover for free – once we have found them a job!

There is no limit to the number of candidates you can promote and hence the number of free supply days your school can amass.

## **Recommend NQTs and get half a day's supply cover for free!**

The same scheme applies to your school's final year students. If you are a school with trainee teachers but don't have a position to offer them, we are on hand to find them permanent employment and allow them to begin their induction year placement which they so desperately want.

We will be keeping track of all placements to ensure that you receive your free supply cover. For further information or if you would like to contact us about a teacher, please call free on 0800 026 3334.

\*Please ensure that the teacher has given you their permission for you to do this.

**Call 0800 026 3334 to earn free supply cover**
